

The Okanagan College Students' Union has three very important mandates. The goal with these mandates is to ensure post-secondary education is of high quality, and publicly funded, and to hold education decision makers and stakeholders accountable to students. OCSU strives to achieve these goals through providing the students of Okanagan College with advocacy, services, and events.

Advocacy:

- Campaigns
- Lobbying government officials
- Lobbying college administrators
- Providing support with grade appeals and academic challenges

Services:

- Free supplies like handbooks, water bottles, and feminine hygiene products
- Extended Health & Dental benefits for eligible students
- Local student discounts
- Subsidial services such as legal aid

Events:

- Fostering campus community
- Campus engagement
- Promoting stress relief and mental health on campus
- Education about important campaigns and causes
- Free food

If you would like to work on these mandates with us, we urge you to join us by becoming a student representative, or becoming a valued volunteer. Contact us to learn more about getting involved with your Students' Union.
